INTERNSHALA

Notice from Internshala

Dear Students,

Internshala - India's largest internship platform has launched - 'Internships for 1st Year Students'.

1st-year students can do work from home internships in easy to do profiles like sales, data entry, content writing, marketing, etc. Also, students can earn a healthy stipend of minimum Rs. 20,000 during the internship tenure. An internship in the 1st-year will go a long way teaching you professionalism and give you a boost in self-confidence when you start applying for jobs in the future.

Register for 1st-year internships here - bit.ly/firstyear-internships There are no registration charges involved.

1st-year students can register and apply to these internships till 15th September 2019.

If you have any questions, please drop an email at contest@internshala.com
